“March” on in for Baby Chicks

March is the month to place your baby chick orders at Double L Feed! We take special orders, so you'll be guaranteed to get the right breed and quantity. Also, we can order pullets (hens) only, so you don't wind up with those unnecessary roosters!

Arrgghh – Grass Burs

Remember those awful grass burs from last spring and summer? Don't miss the window to put your pre-emergent herbicide out – BEFORE the burs begin to germinate this spring. Double L Ranch and Wildlife Feed carries several different pre-emergent herbicides to choose from.
