

Double L Feed Kerrville, Texas

From the Feed Sacks

July 2007

Volume 7

Treat your Horse!

Try Acco's new Golden Delicious Horse Treats for your favorite horse. Taste great and healthy, too!

Bugs, Bugs, Bugs

All this wonderful wet weather is bringing out the bugs. We have insecticides, both granules and sprays, to repel and to kill them, inside and out. We also carry the sprayers and spreaders needed to apply these products.

Weeds, Weeds, Weeds

The wet weather has also blessed us with an abundance of weeds. Control your weeds with a wide variety of herbicides including

- ✍ Eraser
- ✍ Killzall
- ✍ 2,4 – D
- ✍ MSMA

Leather Conditioners & Cleaners

When the weather clears up, you'll want to ride your horse again, but your saddles and tack will need cleaning and conditioning. Come check out our wide variety of leather cleaners and conditioners.

Mark your Calendars!
