

Double L Feed Kerrville, Texas

From the Feed Sacks

January 2007

Volume 1

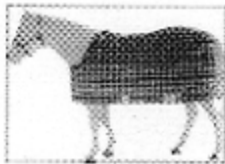

Welcome to Double L Feed.

We're delighted to be open on the East side of Kerrville adjoining Back 40 Trailers. Please let us know how we can best serve you in our new location. We are continuing the same great service and feed lines. Look for new products to begin showing up as time goes on. Come by and visit with Jay, Erin, Jim and Rick when purchasing your livestock, horse, pet and wildlife needs.

Winter has come, but it probably isn't finished yet . . . Keep your critters warm with

- Heat lamps
- Horse blankets
- Snug doggie beds
- Dog houses
- Lamb & goat socks
- Sheep blankets
- And more . . .

In spite of the cold, spring is just around the corner. If you want to control your weeds while fertilizing your soil, it's time to put out the pre-emergent. Try one of the following:

- XL 2G
- Pendulum
- Amaze

Congratulations Stock Show Participants!

Keep up the good work at the Majors. Remember, if you need show supplies, come by Double L Feed.

- Muzzles
- And more . . .

The cold weather takes a toll on our feathered friends. Remember them with

- Sunflower seed
- Wild bird mixes
- Bird blocks
- Suet blocks

Thank you for your business!
